# Experience an **“Addictive”** Daily Price-Drop

## Price-Drop Systems like this UPA Auction Catalogue are the Collectors’ Secret Weapon. Unfortunately, this catalogue is produced quarterly. What if you could get your **‘Philatelic-Fix’** each weekday? You can - Join 1,160 Collectors and Dealers taking Top-Up Twenty (TUT) Now...

Four years ago, Andrew was looking for an additional stamp selling system that complemented his firm belief that if a stamp was not selling it was not worth the money asked. This is the founding principle, in combination with his firm opinion that Buyer’s Premiums are pernicious, and all lots sold should be guaranteed - upon which this UPA auction ‘spread’ before you, we created over twenty years ago. It is thanks to your support that UPA has become the largest ‘no extra charges’, all lots guaranteed, Philatelic Auction of its type in the world today ...

Unable to find anything suitable he thought of our auction ‘unsolds’ online selling system which has proved popular with collectors after the auction – so much so, that some collectors no longer bid in the auction – they just wait to choose from the bargain unsold lots on offer for immediate purchase at 20% below estimate after each auction closes (95% delivered post-free).

He thought – can we utilise online transparency to replicate the auction ‘price-drop’ as an instant-purchase price-drop selling system? The original idea was that we would offer twenty lots and top-up each time a lot was sold. Hey presto ‘Top-Up Twenty’ (TUT) was born. Hah – that lasted 5 days – happily, you liked the system – so that (a bit like Carphone Warehouse selling mobile phones), rather liking ‘TUT’ we kept the name.

TUT is Andrew’s ‘baby’. You’ll not find a single lot that he has not described – so you may find a degree of verbosity (absent pomposity) – which is why he ‘burns the midnight oil’ bringing you 5 new lots each weekday.

Since that modest start collectors like you have acquired an average of £3,000 of stamps via TUT each week – which is just another reason adding resilience to UPA’s business model successfully continuing through the Coronavirus Crisis.

TUT offers a wide variety of single lots and collections. Each weekday, simultaneously 1160 different collectors (and dealers) receive an email illustrating today’s lots added, together with a sampling of that day’s ‘price-dropped’ lots. Yes, a ‘dutch auction’ in effect – with prices starting off at retail and rapidly reducing to dealer’s wholesale ‘trade’ price. It’s fun, but also can be frustrating if you wait too long and the item has gone to another collector (or dealer). Find out now how TUT suits you ...

View online immediately and/or sign up free for daily email alerts (unsubscribing does not impact your auction notifications) ... as Mr. ‘B’ says it’s **“Addictive”!** ... so, start **Now**

**PURCHASE LIMIT** Write your purchase limit in the box. Leave blank if you do not need us to limit your spend.

If you are bidding to a budget, you can specify an overall spending limit when you bid. E.g. You can bid on items which may cost £500 if you were to win them all, but if you specify a spending limit of £300, once your spending limit has been reached you will not win any more items.

**Please list your bids in order of priority** (we will work down your list until we reach your limit).

4

**INSTALMENTS** Request to pay in instalments must be made when placing your bids. Please circle how many instalments you would like, terms as follows:

- Payment over two, three or four monthly instalments is available to clients with invoices in excess of £60.
- Four instalments are only available for invoices in excess of £250. If you win less than this, we reserve the right to reduce your instalments accordingly.
- There is no extra charge for this service but lots are only despatched upon completion of payment or subject to status (i.e. long established UPA client).

5

**BID STEPS** Please circle how many bid steps you want applied to your bids. Leave blank if you do not want bid steps added.

A maximum of 3 bid steps can be applied to all or some of your bids in the event of a tie. Bid steps are applied as follows...

- Bids up to £39 - bid steps are in £1 increments
- Bids between £40 and £79 - bid steps are in £2 increments
- Bids between £80 and £299 - bid steps are in £5 increments
- Bids £300 and above - bid steps are in £10 increments

If bids are still tied after bid steps have been applied, the earlier bidder takes priority. Bid early to avoid disappointment!
