In Challenging times: NOW ALL UPA Bidders Loyalty-Rewarded

Dear Very Important Philatelist (UPA V.I.P.),

First, let me thank you for making the last UPA88 auction such a success. Since Brexit, covid and all of the monumental events taking place in the world today affecting humanity, the economy and disposable income ... I am not just pleased but delighted to inform you that UPA sales and the UPA business-model has proven resilient through these challenging times.

Naturally I must temper this statement with a 'however' ... and that is for example none of us is getting any younger, we are several years post Brexit but delivering stamps to clients in Europe doesn't get any easier ... and some collectors have less money to add to their stamp collections ... so you may rightly ask – what has UPA been doing about it ... because this isn't just important for UPA but the stamp trade as a whole?

As you know UPA invests more time, more money and more resource into finding/propagating Philatelists than any other philatelic mail-auction in the world today – with a unique database of more than 62,000 different collectors and some dealers in 58 different countries, producing and delivering the biggest, most content comprehensive and most de-luxe catalogues in our industry, UPA has a 'pool' of more collectors bidding than any other philatelic mail-bid auction which is why **UPA has up to 1,000+ bidders more in EACH auction** than virtually any other philatelic auction house today.

Re-focus upon generous 'New Client/Returning Client Offers' within the past 4 auctions has resurrected/added up to 1,000 participating philatelists/collectors to our active auction clients ... Obviously this is a wonderful result powering and protecting UPA for the future because without 'scale' UPA's unique collector-focused reducing estimate and reserve until sold or 'given-away' successful business-model system could not survive and thrive ...

... therefore, **NOW is the time to focus further upon 'SCALE' by Rewarding ALL UPA Bidders** ... You – in order to reward you for your loyalty. Thank you.

There is a nucleus of 1,000+ different collectors and some dealers who religiously bid in each and every UPA auction: regardless of content these UPA bidders always find something they want amongst 27,000+/- different auction lots ... I want to reward **You** – because without **You** UPA could not exist ... but I want to reward you in such a way that we can add more regular bidders like you – rather than those that may just come and go ... so to start with, commencing now - when you **win more than £80 total Auction Sales in one of our auctions**

(this can include Late Sales (unsold lots)), we will credit your UPA auction account the **sum of £12 valid against winning bids in the following auction.**

Consequently – if you were to win £80 in each auction over the course of a year (4 auctions) you would save 15%.

Method in our Madness

Example: When you win £100 with UPA – you win £100 worth of stamps, you don't pay anything else* That's it. When you win stamps at other auctions with Buyer's Premiums and other add-ons ... it may cost you an incredible up to £130 to win £100 worth of stamps delivered ... and then perhaps the odd one may give you 'complimentary' free postage ... Pay more = Win Less.

New Development: Looking ahead: Royal Mail's future changes in strategy such as invalidating use of outstanding decimal definitive machine stamps in favour of new bar-coded stamps – ultimately sooner or later we may have to reinstate charging postage and delivery. NEW UPA Loyalty-Rewarded Auction-Credits may become the UPA way of ensuring that when Loyalty-Rewarded UPA Collectors like you win £100 worth of stamps ... at UPA you can still pay £100. For the time being we want to give you this generous 'no-holds barred-loyalty-rewarded bonus' until further notice.

This is a 'SCALE' Loyalty System: We will Review each auction - The more Collectors (and Dealers) that participate and WIN the more generous the reward.

Basically - It's a simple formula: **MORE BIDDERS = The MORE UPA Can Give Back to Collectors like You.** Please **Join 1,550 other collectors who participated in our last auction to GET STARTED earning more stamps NOW**, and let's target 1,650+ bidders in this wonderful £2.38 Million Pound auction, thank you ...

With thanks and Best wishes for Your success,

Dedicated to De-mystifying Philately

We *always* confirm receipt of bids that are submitted electronically - if you do not receive confirmation, it may mean that we have not received your bid so please contact us. Please ensure you direct your requests to the correct email address as noted above

BIDS ARE CONFIDENTIAL: clients often ask us how their bids stand so that they can increase them if they're not currently winning. We would remind all bidders that bids are confidential and will not be disclosed to third parties. The advice we always give is to bid as much as you would be prepared to pay for something. If it sells for more, so be it, because you wouldn't have wanted to pay more anyway, but hopefully an underbidder is bidding much less, in which case you won't have to pay as much as your maximum. The other thing to bear in mind is that it's better to bid as early as possible because the earlier bidder always takes priority if bids are tied. You can always add to your bids or increase/decrease them before the closing date as you see fit, but at least you'd be in the system with an earlier bidder number.

COLOUR PLATES: You will notice that some items on the colour plates have an asterisk after the lot number. This indicates that this stamp is part of a set rather than a single-stamp lot.

BABS: the threshold for BABS lots has increased from £12 US5 to £15 US5

PHONE LINES AFTER THE AUCTION

We will be on answerphone when the auction closes at 5pm on 11th April until 11am on Monday 17th April, while we process bids and issue invoices/results. Due to the incredible number of telephone calls we receive after the auction, we are forced to limit telephone calls from

FRIDAY 28TH APRIL as follows:

Monday - Friday: 11am to 1pm, 2pm to 4.30pm

Please note: we are not open weekends or bank holidays.

THE UPA REDUCING ESTIMATE SYSTEM

- Each auction is a compilation of both high and lower value material, with some of the high value material owned by vendors and some by UPA. Our belief is that if an item is not selling, it is too expensive. This formula permits us to offer the Unique UPA Reducing Estimate System so that if an item does not sell, it will be reoffered in the next catalogue with the estimate reduced by 11%, and the item will be flagged to show that it has been previously unsold.
- Each time that item does not sell, it will be reoffered and the estimate will reduce by 11%, then 12%, 13%, 14% etc. This allows items to find their own market value, e.g. ...
- A lot is offered for the first time with an estimate of £100, but it does not sell.
- The lot is reoffered in the next auction with an estimate of £89, but it does not sell.
- The lot is reoffered in the next auction with an estimate of £78, but it does not sell.
- The lot is reoffered in the next auction with an estimate of £67, etc. ... (Estimate reductions are 'ramped' as above as each time a lot is unsold).
- Bids below 80% of estimate have no chance of success.
- After the auction has closed, on the Friday evening we publish the UNSOLDS list of all lots that may be purchased at 80% of estimate.
- Lots that are previously unsold are denoted US at the end of the description, e.g. ... US - previously unsold US2 - previously unsold twice US3 - previous unsold three times etc.
- Once a lot has been unsold five times or more and if the estimate has fallen to £15 or less, that lot drops into the BABS category (see below).

BABS: BAG A BARGAIN SYSTEM

- BABS lots are those items which have been unsold 5 times or more (marked US5, US6 etc.) and have estimates of £15 or less.
- BABS lots are denoted by (B) at the end of the description.
- These lots start at 99p and you can bid any amount you wish, at or above this level.
- Standard bid steps (tie-breaks) apply to BABS lots so if you do not wish bid steps to apply to BABS lots, please indicate this clearly on your bid form.

BID AMOUNTS

- We do not accept BUY bids as this is unfair to other bidders.
- If you are prepared to pay a multiple of the estimate price for a particularly rare item please enter your maximum price, but beware that another bidder may also recognise special value in the same item and bid accordingly. We therefore recommend that you only enter the maximum you are prepared to pay.
- You can bid any amount you choose, subject to the minimum amounts:
 - Non-BABS lots: minimum bid 80% of estimate
 - BABS lots: minimum bid 99p
- Conditional (either/or) bids are accepted - please clearly denote this on your bid form.
- Bids steps (up to 3) can be used to increase your bid in the event that equal bids are received (the early bidder wins a tied bid). Bid step increments are subject to your bid value - see HOW TO COMPLETE YOUR BID FORM (page 352) for full details.
- Please do not state bid an extra X% - please bid in actual GBP amounts, or use bid steps if you prefer.
- Bids must be placed in GBP.

ESTIMATES

- Estimates are based upon condition and current market value.
 - All estimates and catalogue prices are in £ GBP and all catalogue prices are S.G. unless otherwise stated.
 - We will state where another catalogue is used and if a foreign currency, we will show the value in Pounds Sterling equivalent.
 - All non BABS lots: **bids below 80% estimate will be respectfully declined. Bidders wishing to purchase such lots for less may have the opportunity to do so in subsequent auction(s).**
- BUYER'S PREMIUM** - there isn't one! The only additional charges we apply are: shipping for invoices less than £50 GBP, and overseas shipping of HEAVY lots (see page 3 for details). If you are a new client, you may qualify for our Introductory Offer* (£55 GBP discount if you spend/win £75 GBP or more)

Postal Auction UPA89

Live Bidding - Wednesday 12th April, 5pm

The majority of lots in our auctions are owned by UPA, but a little while ago we introduced our **UPA Vendor** service whereby we will offer to sell more valuable items for vendors on a commission basis. Some of these vendors requested increased use of the internet for greater exposure, and in order to accommodate vendor requirements, we are offering **LIVE INTERNET BIDDING** on the following **199 LOTS** listed below.

You can still bid normally on these lots by post, fax, email, online and telephone before the 5pm (UK time) Tuesday 11th April deadline. Your bids will be confidential so that a **live** internet bidder will be bidding against bids which are on the book.

Live Internet Bidding is available upon the following lots only:

DO YOU 'APPROVE?'

You may not know it but 47 years ago, as a teenager, I received stamps sent 'on approval' from Omniphil. 17 years later in the mid-1980's I bought the company and added Avon Approvals (and mixtures) to make one of the biggest 'stamps on approval' businesses today in the UK... 1,000,000+ stamps, 7,000+ stamp books in our library, all for your choice

If you're looking for general or single country selections of individually / unit priced stamps sent to you upon approval – so that you select those you want and return those you don't want... If you can spend an average of £20 upwards per selection sent, you'll receive a very generous discount towards the cost of your returning approval books back to Pat and Martin, who run our Tewkesbury Approvals Office. To join our 'Approvals' Club simply tell Pat & Martin what countries / subjects you collect and whether you collect mint & or used... STOP/Start Service any time...
