Philatelic Route-Finder

Dear Very Important Philatelist (UPA V.I.P.),

There's a strange phenomenon in Philately: are you aware of just how few stamp collectors collect/subscribe to monthly stamp magazine(s)? Or here's an interesting question you may easily be able to answer yourself – when did you buy your most recent (Stanley Gibbons) stamp catalogue?

For UPA, this is a 'no-brainer.' We spend £1,000's on catalogues each year keeping up to date. I have known collectors who have sold their stamp collections to UPA for literally 6 figure sums ... who have meticulously catalogued each stamp by their *treasured* 2017 SG 'Part 1' catalogue! Admittedly all catalogue values do not change each year ... but the inclusion of new varieties frequently does ... and variety as you know is the 'spice of philatelic' life ... thereby invalidating a 6-year-old 'Part 1' British Empire stamp catalogue.

Where is all this leading to? It's all about 'joined-up' philatelic thinking. For example – 1,516 different collectors bid in UPA 90 (thank You) from 44 different countries. It's not quite the 1,550/1,650 target I set to trigger your next 'Scale' £12 loyalty-rewarded bonus; which ultimately will offset the cost of delivery when the British Post Office finally makes life too costly, and too difficult for us to continue to maintain Free delivery ...

... BUT – slightly fewer bidders actually won more stamps in UPA 90: amazingly you supported us to a higher average value. Additionally, we checked previous UPA Summer auctions ... unsurprisingly each year at least 100 fewer collectors frequent UPA's July auction because you're either on holiday or trying to garden in the UK rain! Consequently, there's a £12 loyalty-credit on your account toward the exceptional UPA 91 auction catalogue you hold in your hands, that is if you won more than £80 in UPA 90 ... and more than 90% of bidders did ... Thank you.

But there's something else we're all missing ... because stamps you may have missed out on in UPA auctions are frequently found in UPA's other selling systems ... in **TUT!** That's UPA's Top-UpTwenty Instant-Purchase Price-Drop system where good/valuable stamps may drop below the radar selling for less than similar realise in our auctions. All you

have to do is visit our website and sign up for the week-day new stock/price drop e-mail to view/learn more... Discontinue anytime ...

Alternatively visit our website to review UPA's 5 on-line eBay stores ... in between UPA 89 – UPA 91 we've added more than 8,000 different British Empire lots ... which have been selling really well in UPA's eBay **upa-global-price-drop-shop-system** and we are presently adding a further 1,000+ new lots on a monthly basis ...

Thanks to Collectors like You, there's a lot going on at UPA that I would just like you to be aware of because frequently you may find what you're missing in UPA's other selling-systems.

You may be aware that unlikely other stamp companies we do not 'cherry-pick' ... when we handle a stamp collection, we literally offer to handle everything! A 'void' in our stock-handling systems has developed whereby it is no longer profitable for us to sell certain types/lower-levels/standards of stock upon our own account. Typically, this is the type of philatelic material that is a step above our 'charity-giving' philatelic threshold ... I'll talk a little more about this in **Andrew's Ramble** and devote space to this opportunity in the latter part of this catalogue ...

... But – meanwhile you may be hard-pressed to find a more amazing **All Lots Guaranteed, No Buyer's Premium, Post-Free, Loyalty Rewarded Philatelic Auction than UPA 91.** Simply consider the content of this auction ... because I have never seen anything quite like it ... and I have fifty philatelic years under my belt ...

With thanks and Best wishes for your success,

... and the UPA Team
Dedicated to De-mystifying Philately

Andrew's Ramble An Opportunity ...

An Opportunity Exists. Now this is not for everybody. In fact, it would not be for me ... but it would have been 48 years ago ... because this is a tale of 'mirroring' how I started in stamps. As I said it's not for everyone ... though many of us may have thought of doing similar years ago ... If your interest is 'piqued' ... please turn towards the back of the colour Photo-Pages where we'll discuss this opportunity further ...? Thank You

Team Ramble:

SCAN REQUESTS: we are happy to provide scans (or photocopies for clients without email) and/or verbal condition reports for any lot in the auction. Please submit requests to scans@upastampauctions.co.uk

BIDDING: you can submit bids in one of the following ways...
• Online bid form via our website
• Post/Mail
• Email directly to bids@upastampauctions.co.uk
• Telephone: +44(0)1451 861111
• Fax : +44(0)1451 861297

We always confirm receipt of bids that are submitted electronically - if you do not receive confirmation, it may mean that we have not received your bid so please contact us. Please ensure you direct your requests to the correct email address as noted above

BIDS ARE CONFIDENTIAL: clients often ask us how their bids stand so that they can increase them if they're not currently winning. We would remind all bidders that bids are confidential and will not be disclosed to third parties. The advice we always give is to bid as much as you would be prepared to pay for something. If it sells for more, so be it, because you wouldn't have wanted to pay more anyway, but hopefully an underbidder is bidding much less, in which case you won't have to pay as much as your maximum. The other thing to bear in mind is that it's better to bid as early as possible because the earlier bidder always takes priority if bids are tied. You can always add to your bids or increase/decrease them before the closing date as you see fit, but at least you'd be in the system with an earlier bidder number.

PURCHASE LIMIT: if you are specifying a spending limit on your bid form, don't forget to take into account any bid steps that you may have specified or auction credit you may have been awarded.

The catalogue is laid out as follows...

PHONE LINES AFTER THE AUCTION

We will be on answerphone when the auction closes at 5pm on 3rd October until 11am on Monday 9th October, while we process bids and issue invoices/results. Due to the incredible number of telephone calls we receive after the auction, we are forced to limit telephone calls from

Please note: we are not open weekends or bank holidays.

THE UPA REDUCING ESTIMATE SYSTEM

- Each auction is a compilation of both high and lower value material, with some of the high value material owned by vendors and some by UPA. Our belief is that if an item is not selling, it is too expensive. This formula permits us to offer the Unique UPA Reducing Estimate System so that if an item does not sell, it will be reoffered in the next catalogue with the estimate reduced by 11%, and the item will be flagged to show that it has been previously unsold.
- Each time that item does not sell, it will be reoffered and the estimate will reduce by 11%, then 12%, 13%, 14% etc. This allows items to find their own market value, e.g. ...
- A lot is offered for the first time with an estimate of £100, but it does not sell.
- The lot is reoffered in the next auction with an estimate of £89, but it does not sell.
- The lot is reoffered in the next auction with an estimate of £78, but it does not sell.
- The lot is reoffered in the next auction with an estimate of £67, etc. ... (Estimate reductions are 'ramped' as above as each time a lot is unsold).
- Bids below 80% of estimate have no chance of success.
- After the auction has closed, on the Friday evening we publish the UNSOLDS list of all lots that may be purchased at 80% of estimate.
- Lots that are previously unsold are denoted US at the end of the description, e.g. ... US - previously unsold US2 - previously unsold twice US3 - previous unsold three times etc.
- Once a lot has been unsold five times or more and if the estimate has fallen to £15 or less, that lot drops into the BABS category (see below).

BABS: BAG A BARGAIN SYSTEM

- BABS lots are those items which have been unsold 5 times or more (marked US5, US6 etc.) and have estimates of £15 or less.
- BABS lots are denoted by (B) at the end of the description.
- These lots start at 99p and you can bid any amount you wish, at or above this level.
- Standard bid steps (tie-breaks) apply to BABS lots so if you do not wish bid steps to apply to BABS lots, please indicate this clearly on your bid form.

BID AMOUNTS

- We do not accept BUY bids as this is unfair to other bidders.
- If you are prepared to pay a multiple of the estimate price for a particularly rare item please enter your maximum price, but beware that another bidder may also recognise special value in the same item and bid accordingly. We therefore recommend that you only enter the maximum you are prepared to pay.
- You can bid any amount you choose, subject to the minimum amounts:
 - Non-BABS lots: minimum bid 80% of estimate
 - BABS lots: minimum bid 99p
- Conditional (either/or) bids are accepted - please clearly denote this on your bid form.
- Bids steps (up to 3) can be used to increase your bid in the event that equal bids are received (the early bidder wins a tied bid). Bid step increments are subject to your bid value - see HOW TO COMPLETE YOUR BID FORM (page 336) for full details.
- Please do not state bid an extra X% - please bid in actual GBP amounts, or use bid steps if you prefer.
- Bids must be placed in GBP.

ESTIMATES

- Estimates are based upon condition and current market value.
 - All estimates and catalogue prices are in £ GBP and all catalogue prices are S.G. unless otherwise stated.
 - We will state where another catalogue is used and if a foreign currency, we will show the value in Pounds Sterling equivalent.
 - All non BABS lots: **bids below 80% estimate will be respectfully declined. Bidders wishing to purchase such lots for less may have the opportunity to do so in subsequent auction(s).**
- BUYER'S PREMIUM** - there isn't one! The only additional charges we apply are: shipping for invoices less than £50 GBP, and overseas shipping of HEAVY lots (see page 3 for details). If you are a new client, you may qualify for our Introductory Offer* (£55 GBP discount if you spend/win £75 GBP or more)

Postal Auction UPA91

Live Bidding - Wednesday 4th October, 5pm

The majority of lots in our auctions are owned by UPA, but a little while ago we introduced our **UPA Vendor** service whereby we will offer to sell more valuable items for vendors on a commission basis. Some of these vendors requested increased use of the internet for greater exposure, and in order to accommodate vendor requirements, we are offering **LIVE INTERNET BIDDING** on the following **169 LOTS** listed below.

You can still bid normally on these lots by post, fax, email, online and telephone before the 5pm (UK time) Tuesday 3rd October deadline. Your bids will be confidential so that a **live** internet bidder will be bidding against bids which are on the book.

Live Internet Bidding is available upon the following lots only:

DO YOU 'APPROVE?'

You may not know it but 47 years ago, as a teenager, I received stamps sent 'on approval' from Omniphil. 17 years later in the mid-1980's I bought the company and added Avon Approvals (and mixtures) to make one of the biggest 'stamps on approval' businesses today in the UK... 1,000,000+ stamps, 7,000+ stamp books in our library, all for your choice

If you're looking for general or single country selections of individually / unit priced stamps sent to you upon approval – so that you select those you want and return those you don't want... If you can spend an average of £20 upwards per selection sent, you'll receive a very generous discount towards the cost of your returning approval books back to Pat and Martin, who run our Tewkesbury Approvals Office. To join our 'Approvals' Club simply tell Pat & Martin what countries / subjects you collect and whether you collect mint & or used... STOP/Start Service any time...

12793		1988 In the first half of 1988, tests were started with various ways of dispensing booklets - this was both electrical and mechanical. For these experiments new test material in the form of booklets was needed and these were produced with labels either with or without an overprint of a bar. These labels were on unwatermarked paper, and with the exception of the overprint when this was used, have no other printing (stampboards.com 30/10/2009). Here we have an empty booklet with 'Electrical Machine Dummy Booklet for test purposes only' on the cover, printed in grey ink, with no printers name (unlike other booklets). There may have been 4 x poached egg stamps, there are 3 stamp width strips with a thick black vertical line on each. Rarely seen. {BK} US £36

DO YOU HAVE A VALUABLE COLLECTION FOR SALE? CONTACT US

Not For the Faint-Hearted ...

An opportunity exists. Now this is not for everybody. Indeed, it would not be for me... BUT 48 years ago I leapt at a similar challenge ... ultimately, my wife and I creating the UPA business that you see today ...

Now we appreciate that we are in an entirely different philatelic environment today. For one – most of us are somewhat mature – it would be foolhardy to expect the energy, enthusiasm (and naivety) of a 21-year-old today ... so we have created an operational environment that 'shields' the right 'Applicant' from much of the hard-reality of Philatelic commerce today ...

Effectively this is a 2023 franchise 'replica' of the business model that got me started full-time in Philately in my own business. Almost 50 years ago, the deal I accepted was simple. We (my employer's) had a cellar-full of slow-moving difficult to sell duplicated mixed condition surplus of stamps. *"You sell it Andrew, and you can reinvest the proceeds (and so on) into new faster-moving stock – thereby creating a new philatelic business ..."* and to cut a very long story short – that is precisely what I did.

So, what are we offering today?

As you know UPA buys everything: We don't 'Cherry-Pick'. The advantage of our multiple selling-systems from mixtures to approvals to eBay to Top-UpTwenty to these 'high-end' UPA Auctions means that unlike 90% of dealers and most stamp auctions we can find a home for anything and everything philatelic...

... For twenty+ years ... until now ... this has worked seamlessly. However, a void is emerging *whereby we have substantial lower value stamp stock surplus developing* ... it has cost us money, and sells for money, **but it is hard work**, it is **NOT** for everybody and the cost to sell by employing full-time staff is no longer realistic.

The Proposition:

Effectively we have cleared one of our five eBay stores – established 2015 and with 1,079 100% Positive Feedback ... this is where our Franchisee will sell the stock-surplus ... so, unlike me almost 50 years ago having to advertise to find customers ... we're supplying the stock for sale and the system to sell it to stamp collectors. So, this is a 'set-up and go' system ... **you don't have to find stock ... and you don't have to find stamp collectors to sell it to** – because eBay will do this for you. Our other eBay stamp stores/auctions sell up to £150,000 p/a so we know.

Where's the Catch?

The right Applicant needs the following: Energy. Good health – you will be taking 100's of photos each week (If you have a bad back, weak neck, poor eyesight/manual dexterity it's not going to work). Dry secure storage space. Driver of own vehicle – ideally Estate Car, small van. Fast Internet, good computer-skills – printer attached. Commitment. 'Seed' capital. Enthusiasm, and above all – to repeat 'Commitment' and a resilient 'can-do' ethos. Within travelling distance of our Northleach GL54 3HE Office to come to collect new stock periodically – maybe once every few weeks/month. To emphasise - This is not a job. You work from home for yourself in your own time. UPA provides stock/selling system/know-how/realistic get-started support. **This opportunity solely suits the self-motivated** – UPA can supply initial 'training/support' but 'high-maintenance' Applicants cannot be supported because we have to be practical with our own valuable time.

What Next?

Please re-read the above, think it through 'time and again'. Honestly appraise the requirements ... a small room is not going to suffice, nor ill health ... Then, if you feel sure you make an 'ideal-fit' and would like to consider doing this for years on an ongoing basis – please contact our Managing Director Andrew ... Thank you for reading.

JOIN **TOP-UP TWENTY**

INVITATION **£45 OFF OFFER** MINIMUM SPEND £100

TERMS & CONDITIONS APPLY, SEE BELOW

We are offering an exclusive offer for our Auction Customers who have never benefitted from UPA's Top-Up Twenty Instant Purchase Price-Drop System.

What is Top-Up Twenty?

Top-Up Twenty is an **online only** service, providing collectors with an opportunity to 'top up' their collection with exclusive lots in between our quarterly auctions.

These lots are independent of the auction and vary in size, from a single stamp to a multi-album collection. Each lot is included for its interest or of high/highest calibre, described personally by Andrew and photographed in full so you can clearly inspect it before purchase.

Our cast-iron No Quibble Guarantee applies across all Top-Up Twenty lots and we offer easy instalment plans for higher priced items, enabling you to seriously improve your collection.

How does Top-Up Twenty work?

- Every weekday we offer 5 new lots for sale.
- Each lot will price-drop on a weekly basis until it reaches reserve or sells, whichever is first.
- Top-Up Twenty is active all year round, except for the weeks between the auction closing date and the Unsold Lots closing date when we are busy with auction despatch. We won't be adding new lots or price-dropping old lots during this time, but any available lots previously added will still be available to buy.
- As soon as the Unsold Lots sale closes, we resume adding new Top-Up Twenty lots and daily price-drops (often with a special discount – sign-up to be the first to know!).
- Lots are rarely removed – if you can't find it on our website, it has already sold!
