Scratching the Surface of our Philatelic Future

Dear Very Important Philatelist (UPA V.I.P.),

In a turbulent world it's good to think that it's not all doom and gloom, and the reason for this is almost wholly thanks to your support of the UPA 'Collector-Friendly' business model. It is courtesy of Philatelists like you who make Universal's Philatelic Auctions successful (thank you for UPA91's success), but although we have the philatelic foundations of being firmly 'grounded' we are literally just *scratching the surface* ...

You see, in the same way as we wistfully bemuse the decline of Independents on the high street ... slain by warehouse giants and supermarkets – so we inadvertently stand by and watch philately not slain by giants but slain by media culture in a world where there are salacious collectors of memories to the detriment of appreciation/custodians of history.

Yet need it be so?

What works against 'Philately' is the isolation of 'philatelic fragmentation'. Philately is a deeply private passive pastime ... to succeed we need to 're-group' by linking the conventional with the unconventional ... in a simple sense this catalogue is the same as Stanley Gibbons catalogues – it is the facilitating 'glue' of philately ... without such glue there will be no stamp trade ... witness the slump to loss by 'Boden' Fashionistas when they 'cut' their catalogue production as they prioritised digital ...

So, in a world where stamp magazines struggle to sell 12,000 copies each month – yet there are literally hundreds of thousands of stamp collectors on eBay and millions world-wide ... a percentage of whom may consider themselves to be more serious Philatelists and others to be nurtured ... what we are all looking for is a 'bridge' between in a simple sense 'Old & New' ... and the vision to implement it.

It's a mammoth task, but we've made a small start. The opportunity was out there – simply waiting to happen. UPA purchased the 1st and 2nd tranches of stock from a substantial established British Empire Dealer (not SG) scaling down toward retirement. So far we've 'launched' 15,000+ lots online (you'll find **UPA-Global-Price-Drop-Shop-System** easily accessed on eBay via our website www.upastampauctions.co.uk/eBay) – from £4,000= sales of predominantly loss-leading stamp hinges each quarter within 6 months we've grown this to sustained £40,000= sales of British Empire over similar 90 day periods ... and those eBay stamp collectors, many of whom are serious collectors, have started to receive complimentary catalogues like

this one you are reading ... and refreshingly participating offline with UPA. This is a facet of the philatelic future.

Arguably, only by collector-friendly online/offline marriage may stamps thrive and survive ... BUT to 'pull' this through requires the trade to identify with collectors on a burgeoning-basis.

Now to practical matters: Many of you tell us just how much you love your complimentary UPA auction catalogues – but as the catalogues have grown to more than 1kg, so has the strain to hold them. The evidence is in your hands – the enclosed Colour Supplement handles the 5,000+ full *colour-corrected* images. Less physical stress, more to impress your collection.

Obviously, the cost of your complimentary catalogue has become astronomical. However, many of you have taken matters into your own hands by viewing online ... Naturally this is beneficial to the environment, but this catalogue is now produced from sustainable product.

In a Philatelic World where (unlike UPA where a £100= auction purchase really costs £100=) **YOU may pay approaching £130= including buyer's premium, postage and add-ons** ... for your £100= hammer-price philatelic auction lot(s) ... UPA addresses this 'Philatelic *crevasse*' by rewarding your loyalty for bidding in subsequent auctions ... Your £80+ auction invoice generates a £12 loyalty-bonus (more collectors bid in UPA91 than UPA90 thank you) – your loyalty-bonus was created to subsidise the future cost of post & packing (Insurance is Free) ... and you will find that a small fraction of your loyalty bonus will be taken up by P&P on your invoice. Don't worry – if you can win £80+ you will still be substantially ahead! I regret the small impact upon successful bidders winning less than £80, but your catalogue is still free with all the benefits of bidding with UPA such as No Buyer's Premium, etc...

Finally, welcome to UPA92. Thanks to you we present our most valuable 31,607 lot £2,767,617 auction. I'd like to think this is a real treat. With thanks and best wishes for your success – please participate and help us 'grow' Philately.

... and the UPA Team
Dedicated to De-mystifying Philately

PHONE LINES AFTER THE AUCTION

We will be on answerphone when the auction closes at 5pm on 9th January until 11am on Monday 15th January, while we process bids and issue invoices/results. Due to the incredible number of telephone calls we receive after the auction, we are forced to limit telephone calls from

MONDAY 15TH JANUARY until

FRIDAY 26TH JANUARY as follows:

Monday - Friday: 11am to 1pm, 2pm to 4.30pm

Please note: we are not open weekends or bank holidays.

THE UPA REDUCING ESTIMATE SYSTEM

- Each auction is a compilation of both high and lower value material, with some of the high value material owned by vendors and some by UPA. Our belief is that if an item is not selling, it is too expensive. This formula permits us to offer the Unique UPA Reducing Estimate System so that if an item does not sell, it will be reoffered in the next catalogue with the estimate reduced by 11%, and the item will be flagged to show that it has been previously unsold.
 - Each time that item does not sell, it will be reoffered and the estimate will reduce by 11%, then 12%, 13%, 14% etc. This allows items to find their own market value, e.g. ...
 - A lot is offered for the first time with an estimate of £100, but it does not sell.
 - The lot is reoffered in the next auction with an estimate of £89, but it does not sell.
 - The lot is reoffered in the next auction with an estimate of £78, but it does not sell.
 - The lot is reoffered in the next auction with an estimate of £67, etc. ...
- (Estimate reductions are 'ramped' as above as each time a lot is unsold).
- Bids below 80% of estimate have no chance of success.
 - After the auction has closed, on the Friday evening we publish the UNSOLDS list of all lots that may be purchased at 80% of estimate.
 - Lots that are previously unsold are denoted US at the end of the description, e.g. ... US - previously unsold US2 - previously unsold twice US3 - previous unsold three times etc.
 - Once a lot has been unsold five times or more and if the estimate has fallen to £20 or less, that lot drops into the BABS category (see below).

BABS: BAG A BARGAIN SYSTEM

- BABS lots are those items which have been unsold 5 times or more (marked US5, US6 etc.) and have estimates of £20 or less.
- BABS lots are denoted by (B) at the end of the description.
- These lots start at 99p and you can bid any amount you wish, at or above this level.
- Standard bid steps (tie-breaks) apply to BABS lots so if you do not wish bid steps to apply to BABS lots, please indicate this clearly on your bid form.

BID AMOUNTS

- We do not accept BUY bids as this is unfair to other bidders.
- If you are prepared to pay a multiple of the estimate price for a particularly rare item please enter your maximum price, but beware that another bidder may also recognise special value in the same item and bid accordingly. We therefore recommend that you only enter the maximum you are prepared to pay.
- You can bid any amount you choose, subject to the minimum amounts:
 - Non-BABS lots: minimum bid 80% of estimate
 - BABS lots: minimum bid 99p
- Conditional (either/or) bids are accepted - please clearly denote this on your bid form.
- Bids steps (up to 3) can be used to increase your bid in the event that equal bids are received (the early bidder wins a tied bid). Bid step increments are subject to your bid value - see HOW TO COMPLETE YOUR BID FORM (page 384) for full details.
- Please do not state bid an extra X% - please bid in actual GBP amounts, or use bid steps if you prefer.
- Bids must be placed in GBP.

ESTIMATES

- Estimates are based upon condition and current market value.
- All estimates and catalogue prices are in £ GBP and all catalogue prices are S.G. unless otherwise stated.
- We will state where another catalogue is used and if a foreign currency, we will show the value in Pounds Sterling equivalent.
- All non BABS lots: **bids below 80% estimate will be respectfully declined. Bidders wishing to purchase such lots for less may have the opportunity to do so in subsequent auction(s).**

BUYER'S PREMIUM - there isn't one! The only additional charges we apply are: shipping for invoices less than £80 GBP, and overseas shipping of HEAVY lots (see page 3 for details). If you are a new client, you may qualify for our Introductory Offer* (£55 GBP discount if you spend/win £75 GBP or more)

Postal Auction UPA92

Live Bidding - Wednesday 10th January, 5pm

The majority of lots in our auctions are owned by UPA, but a little while ago we introduced our **UPA Vendor** service whereby we will offer to sell more valuable items for vendors on a commission basis. Some of these vendors requested increased use of the internet for greater exposure, and in order to accommodate vendor requirements, we are offering **LIVE INTERNET BIDDING** on the following **224 LOTS** listed below.

You can still bid normally on these lots by post, fax, email, online and telephone before the 5pm (UK time) Tuesday 9th January deadline. Your bids will be confidential so that a **live** internet bidder will be bidding against bids which are on the book.

Live Internet Bidding is available upon the following lots only:

DO YOU 'APPROVE?'

You may not know it but 47 years ago, as a teenager, I received stamps sent 'on approval' from Omniphil. 17 years later in the mid-1980's I bought the company and added Avon Approvals (and mixtures) to make one of the biggest 'stamps on approval' businesses today in the UK... 1,000,000+ stamps, 7,000+ stamp books in our library, all for your choice

If you're looking for general or single country selections of individually / unit priced stamps sent to you upon approval – so that you select those you want and return those you don't want... If you can spend an average of £20 upwards per selection sent, you'll receive a very generous discount towards the cost of your returning approval books back to Pat and Martin, who run our Tewkesbury Approvals Office. To join our 'Approvals' Club simply tell Pat & Martin what countries / subjects you collect and whether you collect mint & or used... STOP/Start Service any time...
