For these experiments new test material in the form of booklets was needed and these were produced with labels either with or without an overprint of a bar. These labels were on unwatermarked paper, and with the exception of the overprint when this was used, have no other printing (stampboards.com 30/10/2009). Here we have an empty booklet with 'Electrical Machine Dummy Booklet for test purposes only' on the cover, printed in grey ink, with no printers name (unlike other booklets). Please list your bids in order of priority (we will work down your list until we reach your limit).

4

INSTALMENTS Request to pay in instalments must be made when placing your bids. Please circle how many instalments you would like, terms as follows:

- Payment over two, three or four monthly instalments is available to clients with invoices in excess of £60.
- Four instalments are only available for invoices in excess of £250. If you win less than this, we reserve the right to reduce your instalments accordingly.
- There is no extra charge for this service but lots are only despatched upon completion of payment or subject to status (i.e. long established UPA client).
